

WINE MANUAL

1.6

The Winery Pub

Welcome to Wine Mechanics, the first urban winery in the Nordic, with grapes grown in European vineyards. Wine produced with love and technology here in Gamlestaden. In 2018, we made 32,000 bottles distributed over 11 different wines. The grapes come from four growers in three countries.

In addition to our Wine Mechanics wines made here, our wine list is based in the regions where our growers and their friends are based.

WINE MECHANIC WINES

Pét-Nut-Ish Spätburgunder Rosé	Pfalz / Slakthuset	2018	115 / 695 kr
This project went pretty wrong. 2 080 bottles leaked and we initially thought we had to sell everything at Stigs Center. But Erik cleaned it all up and out came a damn good, refreshing and dry party booster. We call it "Fulbubbel" from Gamlestan. 1 700 bottles.			

Fistful of Love Spätburgunder Rosé	Pfalz / Slakthuset	2017	125 / 625 kr
		1 500 ml	1 295 kr

Grapes from Josef Andres in Pfalz, inspiration from Anthony & the Johnsons. The idea was to make a dry rose that can be drunk all year and that does not collapse when the sun disappears in September. The wine that surprised most the first vintage.

Art.nr. på Systembolaget: 78022 / 180 kr

Gimme, Gimme, Gimme Riesling	Pfalz / Slakthuset	2017	135 / 675 kr
		1 500 ml	1 395 kr

No weirdness. The Fusser brothers in Niederkirchen deliver really good biodynamic fruit to us. The acid was cracking the enamel in the beginning but was nicely tamed. Has developed really nice and will be drunk well in the coming years.

Art.nr. på Systembolaget: 33243 / 230 kr

Furmint Condition	Tokaj / Slakthuset	2018	140 / 695 kr
		1 500 ml	1 400 kr

Grapes from the Hetszölő vineyard in the southernmost part of Tokaj. Dry Furmint is relatively unexplored but with enormous potential. There is no style today, but the winemakers on site are still testing themselves. 2018 gave a lot of pressure to the fruit and the wine is potent as Bamse's "dunder honey".

Art.nr. på Systembolaget: 33803 / 285 kr

Skinny Love Riesling	Pfalz / Slakthuset	2018	140 / 695 kr
----------------------	--------------------	------	--------------

Orange wine-ish. Like a love child between apricot and apple. Hipster but yummy good. Going it's own way just like the genius from Wisconsin.

Art.nr. på Systembolaget: 33963 / 260 kr

Wine Mechanic Syrah	Saint-Joseph / Slakthuset	2017	145 / 735 kr
		1 500 ml	1 470 kr

Our very first (historical) red wine. 12.5% alcohol. Blueberries, blackberries. Has grown enormously in the bottle in just six months and the drinking joy is great already today. Clear address.

Art.nr. på Systembolaget: 33244 / 300 kr

Meat Leaf Syrah	Saint-Joseph / Slakthuset	2017	1 195 kr
-----------------	---------------------------	------	----------

Our bravest attempt so far to play in the Premier League. The result is amazingly good with pure fruit, spicy seasoning, good balance and lovely length. Layer on layer of stocky, bluish-black fruit and exotic-erotic flower. Drink now to Wagyu or save to the opening of Västlänken.

Neu! Nouveau! Ny!	Saint-Jospeh / Slakthuset	2019	110 / 500 kr
-------------------	---------------------------	------	--------------

Party wine that fermented clearly 48 hours before the slaughterhouse Nouveau in November. Carbonic maceration, 14 hours. Wild and messy as hell without hard edges. Unfiltered, uncleared. 350 bottles.

Bit i kudden, skattebetalare	Pfalz / Slakthuset	2018	140 / 695 kr
------------------------------	--------------------	------	--------------

Homage to our house god Mattias Alkberg. Tastes like soda in the Sahara. Damn good to Roman pizza.

Lokalproducerat EU-Vin	Pfalz / Tokaj / Slakthuset	2018	895 kr
------------------------	----------------------------	------	--------

Locally produced wine from the EU. All our wines are EU wines according to the mossy wine laws. This is an example of when the EU works best. German mother, Hungarian father, raised in Sweden with Aspergers. Save the world wine, thank you Greta.

Inní mér syngur hvítleysingur	Saint-Joseph / Slakthuset	2018	995 kr
-------------------------------	---------------------------	------	--------

Madness and freedom in a bottle. Equal parts Sigur Rós and Jean-Michel Stephan. Delicious wine with vibrating fruit, pure acid and clear Rhône markers. 100% spontaneous fermented unfiltered Syrah. Sans Soufre Ajouté!

URBAN WINERIES

The urban winery movement took off like wild fire in Portland Oregon and has boomed in the last ten years, and became the inspiration for Wine Mechanics. We've been on the hunt for other urban wineries around the globe where winemakers are thinking outside the box and creating special wines in unlikely places.

GRAPE SPIRITS

MECHANIC MOST

Our own moonshine made with Spätburgunder (85%) and Riesling (15%), distilled by our friends at Qvånum Mat & Malt. The spirit is a hybrid of grappa and most with grape marc from Spätburgunder, blended with some Riesling wine to get this fruity and smooth digestif. 2018 is the first year we make this spirit, and it's limited to 80 bottles. We call it Mechanic Most!
